Testimonials

We recently had our wedding here, both the ceremony and reception. We cannot praise the staff and venue enough, the décor was beautiful, the food was delicious and the staff were excellent, nothing was too much. I highly recommend this place for a wedding as all your needs are catered for.

Linzi & Gareth

We cannot praise the venue and staff enough. The Inishowen Gateway took care of us from start to finish, and went above and beyond for us – we could not have asked for more! With so much to plan for a wedding, knowing that we had such expertise on hand to look after all the details of our wedding reception was invaluable. It was so reassuring having people so professional and friendly running the day. The reception room was just beautiful – the attention to detail second to none. The food was delicious, presentation impeccable and served so quickly. We had so many guests comment that they thoroughly enjoyed every course. Thank you all so much for helping to make our day so special!

Carol and Stephen

From the moment we got engaged we knew we wanted the IGH to host our civil ceremony and reception, after attending many weddings in the hotel. It is a beautiful hotel, the staff are so friendly and professional and the views and scenery around the hotel area are absolutely stunning. Especially looking out from the civil ceremony room onto the golf course and further onto the pier. The guest rooms were lovely. The service was top class, the food of the highest quality and the décor and ambience of the hotel. I would recommend the IGH to anyone looking for a stress free run up to their wedding day

Bronagh & Alan

From when we spoke to Joleene about having our wedding with this hotel to the big day to the day itself the staff and everything at the Inishowen Gateway was amazing. They could not do enough for us and our guests, even helping with our kids making sure they had a room beside our room and making everyone very welcome. Our guests and ourselves had a ball they all said the hotel and staff were amazing. Thank you very much Sinead for making our special day perfect.
